

National Competition to Name a New Tug Boat

Background

In line with its strategy to upgrade its fleet and improve the efficiency of its operations, thus offering the best services to the staff and clients, the Seychelles Ports Authority (SPA) is purchasing a new tug boat. This will also help to accommodate larger vessels and be better equipped to handle emergencies. The state-of-the-art tug is modern and equipped with newly improved technologies that are required for these operations.

To that effect, the SPA is launching a national competition targeting all primary and secondary schools in Seychelles to name the tug boat.

All names and details of participants should be submitted as per the form provided via email at jflorentine@seyport.sc
